Librarians are there:

To help, aid, assist. To teach, collate, enthruse. To catalogue, index, arrange, organize. To find, discover, promote, display. To interest, intrigue, amuse and amaze. To instill wonder. To help children, adults, old people, the underprivileged, the rich, the poor, those with voices and those without. To protect resources, to archive them, to store them, to save them for the future. To provide differing viewpoints, to engender thought, conversation, research, fun. To provide the best answer possible, to match the answer to the inquirer, to provide just enough information without overwhelming the user, but enough to always help. To better a local community, a company, a school, a college, an organization, a country, the world.

Google is there:

To make money.

Lexis Temporary Remote Access

Lexis Remote

LexisNexis continues to be committed to working with our library during Covid-19 by continuing to provide access to Library Patrons who cannot use the library due to Covid-19 related restrictions. If you cannot otherwise conduct legal research, you may register one time only for a temporary Lexis Advance® ID. You will receive an ID within 1 business day valid for 30 days. This ID allows you to conduct research on the cases and codes needed for legal work and personal legal research. We are happy to work with you to maintain access to justice during this time.
